

Dear Parents

Despite the rain, we have had a lovely week in school. The children seem very settled in their new classes and have been impressing their class teachers. I have noticed Beech class have been on their travels this week - I think they have had lessons in a variety of spaces making really good use of our fortunate school environment. They have had lessons outside, in the hall, in the Music/Art room, in the computer suite - some amazing immersive learning opportunities!

All classes have been having their elections for our school leadership groups this week -look out for the announcements of who have been chosen for these roles soon.

You may not be aware, but we have had no cookers in the school kitchens this week - the kitchen staff have done a remarkable job working with a 'normal' sized oven in the staffroom and huge thanks go to Brookehurst Primary School who have helped us with some menu items. It looks like the repairs will not happen until late next week, and so unfortunately we will be having to make menu changes for next week. Please look out of an email about this. Thank you in advance for your support with this matter.

Have a lovely weekend,

Mrs Corinne Thomas

A Gentle Reminder

Please can you ensure that your child has an appropriate waterproof jacket in school on rainy days. We do try and get the children out at breaktimes and lunch times where possible. Thank you.

Class Spotlight- Redwood

Redwood have had a fantastic start to the term.

We are excited to start our new topic Dynamic Dynasties and have already researched and investigated artefacts that date back to the Shang Dynasty. We have even performed using playscripts inspired by ancient Chinese leaders.

We have started our art topic Tints, Tones and Shades and had fun mixing paint to find the perfect colour for our garden paintings.

In maths, Redwood have been working so hard on their first topic about place value and have shown so much confidence already. It has been a joy to be back and I am hoping we can carry on with our fabulous consideration and curiosity.

CLASS MESSAGES: Any class messages or updates will now feature here on the newsletter each week. This is to support any important communications from the teachers being missed in additional emails.

Pine	Please could we remind Pine Class that we will be in school full time from Monday 18th September (8.45 - 3.15), please drop off and pick up from the Reception playground. Could the children all bring in their PE Kits and wellies.

Leave of Absence- Advice from Warwickshire County Council

Parents do not have any entitlement to take their children on holiday during term time. Any application for leave must establish that there are exceptional circumstances and the Headteacher must be satisfied that the circumstances warrant the granting of leave.

The school can only consider applications for leave of absence which are made by the resident parent (the parent with whom the child normally resides).

Applications for leave of absence must be made in advance and failure to do so will result in the absence being recorded as "unauthorised". This may result in legal action against the parent, by way of a fixed penalty notice.

Applications for leave of absence which are made in advance and refused will result in the absence being recorded as "unauthorised". This may result in legal action against the parent.

Pupil Voice

What have you enjoyed learning about as part of our new curriculum?

'I have enjoyed learning about the people who had the courage to speak up about slavery'

'I am enjoying learning about 'Stig of the Dump', I really like the characters'

'In Art I have enjoyed painting landscapes, and I have enjoyed looking at ancient Chinese artefacts'

'I have enjoyed learning about the Romans and how they invaded different countries'

'I've enjoyed learning about the properties of different materials and making electrical circuits with them'

'I have enjoyed learning about Begu and writing a description of him'
