### Dear Parents

Today I had the privilege of showing visitors around our school. It was wonderful to see all of our core values in action. A huge thank you to all the members of the pupil leadership teams who talked with such enthusiasm about the important role that they play within our school and the impact that they have, you were superb Budbrooke ambassadors.

This week also brought with it some fantastic sporting events, please check out Mr. Brereton's detailed and animated sports reports, it almost feels like you are there!

Next week looks set to be a fantastic end to a wonderful half term with the Manor Adventure assembly and the Harvest festival (please see details in this newsletter about how to make donations to the foodbank via the school) .

Have a wonderful weekend !

### Student Leadership – A message from School Council

Hello we are the School Council. We have already written a School Council job description and an action plan and are looking forward to doing even more!

We were elected by our classmates to represent Budbrooke.

We are really proud to have our photos on display in the hall.

This year, we will be raising money for charity. We are looking forward to donating to Foodbank.

We are really excited to talk to new parents at the school's Open Days.

**CLASS MESSAGES:** Any class messages or updates will now feature here on the newsletter each week. This is to support any important

<b>Holly and Chestnut</b>	Year 3 and Year 4 Parents, please ask your children to bring their Harvest outfits into school by Wednesday 25th October in a named bag. Children can wear autumnal colours of their choice. Thank you. Mrs James, Mr Brereton and Mrs Del Rio
<b>Pine</b>	We do not encourage the children to bring snacks into school for break time as they have fruit, milk and the choice of a hot snack. However, if you do still choose to send a snack it must be healthy and not contain any nuts. Thank you for your cooperation.

**KEEP UP TO DATE** Scan the QR Code to follow us on FACEBOOK to see our This Week in Pictures video and regular updates!

A gentle reminder...

Scooters and cycles are not to be ridden on school grounds.

Please dismount before entering School grounds and push or carry until you are off the premises. Thank you.

## Pupil Voice- What is Music like at Budbrooke Primary School?

-  We have been learning to compose. I like that you can express yourself in music lessons.
-  I like learning new songs in Singing assemblies.
-  I like the sound of music and how it makes me feel! I just love it!
-  I like learning to play the recorder and learning to read musical notation.
-  My favourite part of music lessons has been learning to play the glockenspiel.
-  We learn new vocabulary each week, such as rhythm, pulse, beat, melody and tempo.
-  I love having music lessons each week.

## Class spotlight- Elm

Jonny- I loved making alien goo sandwiches for Beegu

Joseph- I love maths in Elm because it is fun and Tiny the tortoise makes mistakes that we have to spot

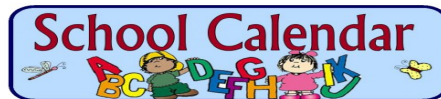

Hettie- I like learning new sounds in Phonics

Finley- In PE we get to play lots of fun games

Darcie- In English we've been writing poems and it was good to go on our Autumn hunt

Esme- I love going to the computing suite with Elm Class

Henry- I enjoyed making secondary colours using primary colours

## Is my child too ill for school?

There are government guidelines for schools and nurseries about managing specific infectious diseases at GOV.UK. These say when children should be kept off school and when they shouldn't.

If you do keep your child at home, it's important to phone the school or nursery on the first day. Let them know that your child won't be in and give them the reason.

If your child is well enough to go to school but has an infection that could be passed on, such as a cold sore or head lice, let their teacher know.

Follow this advice for illnesses:

**Coughs and colds** It's fine to send your child to school with a minor cough or common cold. But if they have a fever, keep them off school until the fever goes. Encourage your child to throw away any used tissues and to wash their hands regularly.

**High temperature** If your child has a high temperature, keep them off school until it goes away.

**Chickenpox** If your child has chickenpox, keep them off school until all the spots have crusted over. This is usually about 5 days after the spots first appeared.

**Head lice and nits** There's no need to keep your child off school if they have head lice. You can treat head lice and nits without seeing a GP.

**Sore throat** You can still send your child to school if they have a sore throat. But if they also have a high temperature, they should stay at home until it goes away. A sore throat and a high temperature can be symptoms of tonsillitis.

**Vomiting and diarrhoea** Children with diarrhoea or vomiting should stay away from school until they have not been sick or had diarrhoea for at least 2 days (48 hours).

Further information on more illnesses is available online at <https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>

## Kids Club Payments- A gentle reminder

Please use your Childs name and/or surname only as reference when making Kids Club Payments. Please do not use dates in this reference, as payments will automatically be deducted from the oldest debt on the account.

Please allow up to 1 week for payments to reflect on your account. Thank you

## Rotary Club Presentation

Alan Bailey, the president of the Warwick Rotary Club, visited Budbrooke last week to present Year 4 children from Chestnut with their dictionaries.

The Warwick Rotary Club organises events such as the Warwick Thai Festival, the Warwick Castle carols

and Warwick racecourse bonfire night. The money raised then goes to help with local projects as well as supporting with overseas aid such as providing toilets for schools in West Africa and sending shelter boxes to Libya and Morocco.

The Year 4 children said: "The dictionaries are fantastic. They will be really helpful because we can use them to help spell exciting vocabulary in our writing to make it exquisite and stand out."

As part of our Harvest celebrations, **Budbrooke School Council** would like our Budbrooke community to support the **Warwick District Foodbank**.

The Foodbank's aim is to make sure that no-one in our local community goes hungry. Budbrooke children and parents can support their cause by donating essential items for collection in school.

If you are able to support this excellent charity, please bring any items from the attached list into school from

Monday, 23rd October to Wednesday, 25th October.

Foodbank welcomes your donations and has requested that **only the items on the essential list below are donated.**

Long life milk	Long life fruit juice
Tinned vegetables	Instant mash
Instant noodles	Pasta sauce
Tinned fruit	Tomato ketchup/brown sauce
Shower gel	Toilet rolls
Deodorant	Washing up liquid

Thank you for your support and generosity.

FIRE & RESCUE SERVICE

## WARWICKSHIRE FIRE & RESCUE SERVICE BONFIRE COMPETITION 2023

It's that time of year again when we look forward to celebrating all the sights and sounds of a fun filled bonfire night. It is important that whilst having fun, safety advice is followed to raise awareness and reduce the risk of incidents.

We would like to invite children to take part in our bonfire competition and will be selecting winners and awarding prizes for entries in each year group.

We are hoping for some fantastic, original stories and poems which highlight how we use all our senses to enjoy the celebrations, but also the important things to remember to keep us safe whilst having fun.

Check your School Spider messages for further details!

Get ready for a family friendly bone-chilling experience at **ST JOHN'S HAUNTED HOUSE!** Bring your friends and family for screams and thrills!  
Saturday 28th - Tuesday 31st October

## Claverdon (4)6 V Budbrooke (2)5

Budbrooke showed great resilience and skill to battle back from 4-0 down to make it 5-5, but a late goal earned the win for Claverdon in a match that could have gone either way.

Budbrooke started brightly with Henry setting up Finley for a series of strong shots that just narrowly missed and also a shot that hit the post.

Eli and Edward marshalled the defence well but Claverdon then grew in confidence and took the lead with a deflected shot. Jack made many great saves especially when he tipped a shot over the bar and also when he saved a powerful shot onto the bar. In a bizarre 5 minutes Claverdon scored 3 more.

Despite being 4-0 down, Budbrooke were not giving up. They played with great heart and after some mazy, skilful runs, Henry scored the first with a powerful curling effort. This led to Budbrooke having lots of shots to get back into the game. Cameron was a driving force in midfield and Sonny looked to play in some nicely threaded through balls to create chances. Henry scored again to make it 4-2 to Claverdon at half time.

Claverdon brought on some strong substitutes and scored again early in the second half. Again, this ignited Budbrooke's passion. Jack, playing up front in this half, got behind the defence on many occasions and forced the goalkeeper into many good saves. Jack was finally rewarded when he scored a tap in after the goalkeeper palmed a save to in. Jack was again on hand to score another and Henry completed his hat-trick when he lashed in an unstoppable shot to complete an amazing comeback.

The match could have gone either way. Teddy, now in goal, saved brilliantly with his legs and the Claverdon goalkeeper kept on making wonder saves when a Budbrooke goal looked a certainty until a corner for Claverdon saw the ball deflect in off the midfielder's chest.

Budbrooke FC: Jack, Teddy, Eli, Edward, Cameron, Ben, Finley, Henry, Sonny.

Mr Brereton said: "I am so proud of the Budbrooke footballers. Even when they were trailing 4-0, they never let their heads go down. They kept on playing and were rewarded with a thrilling comeback. It could have been the comeback of all comebacks but the Claverdon goalkeeper made some fine saves. Budbrooke kept on going and showed a great team spirit full of exciting football on a difficult pitch. Budbrooke showed they can play football and I am looking forward to the next fixture. Thank you to all the people who helped with transport and came to cheer the team on."

## Primary Schools Girls Football League Competition

Budbrooke girls football team made a successful start to the league this week.

The league event, to be played across 3 dates, saw 8 teams from the local area play each other at Myton School.

The competing teams include- The Priors, St Pauls, Ferncumbe, Long Itchington, Aylesford, Clapham Terrace and Kingsley.

In the first match against Ferncumbe, Sophia made some clever turns and passes to set up chances for Faith and Flori. Ella played well in defence and made some fine clearances while Romy in goal made some great saves, tipping the ball onto the post and gathering on the line, to keep the scores level. The first match ended 0-0.

In the second match for Budbrooke, Amelie and Flori dribbled the ball well and Anna made some vital last-ditch tackles to the Kingsley girls from scoring. Flori put in some good crosses and Faith made some skilful runs down the wing. In the end, Poppy scored with a powerful shot with the last kick of the game to give Budbrooke an exciting 1-0 win.

Budbrooke will play the next set of fixtures at the next two events in November.

Mr Brereton said: "It was great to see so many girls enjoying playing football. It was a very exciting finish with Poppy scoring Budbrooke's first goal of the league competition with the last kick of the match. The Lionesses' Euros win and World Cup success has seen a growing interest in the sport and it has been lovely to see the enthusiasm for girls football at Budbrooke. The girls played some fantastic football and the team spirit and passion shone through. Thank you to all the parents who supported with transport."

Future league dates at Myton:

November 14th, November 28th
