

Dear Parents

This week Redwood Class have risen to the challenge of taking on the roles and responsibilities of Cherry Class whilst they have been enjoying their adventures at Manor Adventure. A huge thank you to all the pupils who have helped during this time, you were all amazing.

The Well- Being Ambassadors have also embraced their training this week and have demonstrated the core values, we cannot wait to see you put all that you have learnt into action as you really do have a huge impact on the pupils that you work with within our school.

Yet again I have been inundated with examples of work that reflect the learning that has taken place, it has been such a privilege to listen to pupils talk about their learning with such enthusiasm and pride.

During our Golden Book assembly today, a member of the Rotary Club presented all Year 4 pupils with a dictionary as part of their vision to support all Year 4 pupils with their learning, if you are a parent of a Year 4 child please look out for these and encourage your child to use them to support their home learning.

I am looking forward to another exciting week at Budbrooke and I cannot wait to hear about Manor adventure from all our very excited Year 6 pupils.

Have a wonderful weekend.

Student Leadership- A message from School Council

👋 Hello we are the School Council. We have already written a School Council job description and an action plan and are looking forward to doing even more!

👋 We were elected by our classmates to represent Budbrooke.

👋 We are really proud to have our photos on display in the hall.

👋 This year, we will be raising money for charity. We are looking forward to donating to Foodbank.

👋 We are really excited to talk to new parents at the school's Open Days.

CLASS MESSAGES: Any class messages or updates will now feature here on the newsletter each week. This is to support any important communications from the teachers being missed in additional emails.

Holly and Chestnut	If anyone has a very large cardboard box (from a television, mattress or similar) then please let either Mr Brereton, Mrs Del Rio or Mrs James know as we are looking for one to make a prop for the harvest show. Please don't bring it into school until we have been in touch, as we do only need one! Thank you in advance.
Holly and Chestnut	Years 3 and 4 children are invited to wear autumnal colours for the Harvest festival on Friday 27th October.
Pine	We do not encourage the children to bring snacks into school for break time as they have fruit, milk and the choice of a hot snack. However, if you do still choose to send a snack it must be healthy and not contain any nuts. Thank you for your cooperation.

A gentle reminder...

Scooters and cycles are not to be ridden on school grounds.

Please dismount before entering School grounds and push or carry until you are off the premises. Thank you.

Budbrooke's Well-Being Ambassadors

The Budbrooke Well Being Ambassadors for this year have received training for how to deliver a Personal Best All About Me Festival at Edmondscote Athletics track. They have chosen a variety of fun well-being games for children from schools across the Warwick area to participate in. They have also practised using their creative and collaboration skills to plan a range of exciting lunch time activities for each year group.

Throughout the year, they will also be running lunch time clubs and inspiring others to be active and healthy in a fun and friendly manner. They will also have opportunities to develop their leadership skills at a variety of events including the Well Being Festival at Newbold Comyn Leisure Centre and the Speed Stacking Challenge here at Budbrooke!

We are hoping for some fantastic, original stories and poems which highlight how we use all our senses to enjoy the celebrations, but also the important things to remember to keep us safe whilst having fun.

A Message from Kids Club

The past couple of weeks, Kids Club pupils have started working on their 'Minecraft' activities. So far they have made some collages of Minecraft characters, and drawn some beautiful 'Minecraft style' self-portraits.

In Kids Club the children have also been drawing pictures of their 'Precious Pets' to be entered into a National Drawing Competition. We have had some lovely entries and we are hoping to win a prize!

A gentle reminder to please ensure your child has a 'Collection Password' set on your Kids Club account. Our telephone number is 07564 568005.

Have a lovely weekend! Mrs Justice and Mrs Sheikh

Is my child too ill for school?

There are government guidelines for schools and nurseries about managing specific infectious diseases at GOV.UK. These say when children should be kept off school and when they shouldn't.

If you do keep your child at home, it's important to phone the school or nursery on the first day. Let them know that your child won't be in and give them the reason.

If your child is well enough to go to school but has an infection that could be passed on, such as a cold sore or head lice, let their teacher know.

Follow this advice for illnesses:

- Coughs and colds** It's fine to send your child to school with a minor cough or common cold. But if they have a fever, keep them off school until the fever goes. Encourage your child to throw away any used tissues and to wash their hands regularly.
- High temperature** If your child has a high temperature, keep them off school until it goes away.
- Chickenpox** If your child has chickenpox, keep them off school until all the spots have crusted over. This is usually about 5 days after the spots first appeared.
- Head lice and nits** There's no need to keep your child off school if they have head lice. You can treat head lice and nits without seeing a GP.
- Sore throat** You can still send your child to school if they have a sore throat. But if they also have a high temperature, they should stay at home until it goes away. A sore throat and a high temperature can be symptoms of tonsillitis.
- Vomiting and diarrhoea** Children with diarrhoea or vomiting should stay away from school until they have not been sick or had diarrhoea for at least 2 days (48 hours).

Further information on more illnesses is available online at <https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>

Class Spotlight- Beech

Movers and Shakers

Beech Class are really enjoying learning about significant people in history. So far, we have learnt about artists, scientists and explorers and we will be learning more about Rosa Parks as part of Black History Month.

In English, we have written fantastic, descriptive poems about Autumn and are now writing an informal letter.

In Art, we have enjoyed mixing primary colours to make secondary colours and we will use our skills to paint a composition.

One of our favourite days so far was the European Day of Languages where Beech Class became Rome Class for the day. It was so much fun and we learnt a lot about Italy and other European countries.

We also had a visitor who brought her special friend Harold to talk to us about feelings. It was a really fun morning.
