Autumn 2 Newsletter 9

Friday 10th November 2023

Dear Parents

I would like to start this newsletter by thanking you all for your support and understanding throughout the week, particularly during the unforeseen water outage and the closure of the school during the school day. Your prompt response, understanding and messages of support were very much appreciated.

All the staff at Budbrooke would also like to thank those who attended parents' evening it was lovely to see so many people celebrating their child's learning journey and recognising their achievements. Pupils were very excited to receive the 'proud post its' that had been left for them within their books and they enjoyed sharing these with class teachers and other members of their class.

There is a buzz of excitement around school as next week brings with it lots of immersive learning activities, sporting events and the start of clubs run by members of staff.

Have a wonderful weekend and thank you once again for all your support.

Student Leadership- A Message From School Council

We were really proud to present the fantastic donations to volunteers from Warwick and Leamington Foodbank who visited our school just before half term. All the essential items donated will support families in need in our area.

We would like to say a big thank you to everyone who kindly donated items to such a fantastic charity.

We were also extremely proud to talk to parents and to tell them all about our exciting plans at the School Open Day in October. We helped to promote the School and explained how we celebrate the School's 5 Values in Assembly each week.

CLASS MESSAGES: Any class messages or updates will now feature here on the newsletter each week. This is to support any important communications from the teachers being missed in additional emails.

Beech	As part of our Remarkable Recipes topic, Year 2 will be carrying out a number of food preparation and tasting activities. We request that each child bring a small container with a lid and an apron to school from Monday 13th November. Please label both items with your child's name. Thank you.
Holly	Next Friday Holly class will be taking part in a cooking activity to support their learning for our current DT topic 'Cook Well, Eat Well!'. We will be making taco fillings. Please send your child in with a named Tupperware box and check with your child the ingredients they will need to bring in to contribute to the tacos their group will be making.
Chestnut	Next Tuesday we will be investigating how toothpaste protects our teeth as part of our science topic. Please could children bring any toothpaste packaging you may have at home so we can find out the ingredients.

Class spotlight- Cherry

Cherry have had a very busy start to Year 6. At the end of the first half term, we thoroughly enjoyed our residential trip to Manor, where we took part in lots of exciting activities. We went on a hill walk, tried axe throwing and archery as well as braving the zip wire and abseiling challenge. The following week, we enjoyed sharing our experiences with the school and our families in our Manor Assembly.

We have continued to learn about the transatlantic slave trade and have found out about how more recent history has tried to address racial discrimination and intolerance through studying the impact of the Race Relations Act. We also enjoyed exploring our artistic skills, through creating landscapes using our knowledge of tints, tones and shades. This week, we have started our new maths topic of fractions and have been exploring ideas to create our own narrative set in an imaginary land.

Kids Club Payments- A gentle reminder

Please use your Childs name and/or surname only as reference when making Kids Club Payments.

Please do not use dates in this reference, as payments will automatically be deducted from the oldest debt on the account.

Please allow up to 1 week for payments to reflect on your account. Thank you

Is my child too ill for school?

There are government guidelines for schools and nurseries about managing specific infectious diseases at GOV.UK. These say when children should be kept off school and when they shouldn't.

If you do keep your child at home, it's important to phone the school or nursery on the first day. Let them know that your child won't be in and give them the reason.

If your child is well enough to go to school but has an infection that could be passed on, such as a cold sore or head lice, let their teacher know.

Follow this advice for illnesses:

Coughs and colds It's fine to send your child to school with a minor cough or common cold. But if they have a fever, keep them off school until the fever goes. Encourage your child to throw away any used tissues and to wash their hands regularly.

High temperature If your child has a high temperature, keep them off school until it goes away.

Chickenpox If your child has chickenpox, keep them off school until all the spots have crusted over. This is usually about 5 days after the spots first appeared.

Head lice and nits There's no need to keep your child off school if they have head lice. You can treat head lice and nits without seeing a GP.

Sore throat You can still send your child to school if they have a sore throat. But if they also have a high temperature, they should stay at home until it goes away. A sore throat and a high temperature can be symptoms of tonsillitis.

Vomiting and diarrhoea Children with diarrhoea or vomiting should stay away from school until they have not been sick or had diarrhoea for atleast 2 days (48 hours).

Further information on more illnesses is available online at <https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>

A message from Kids Club

Hello everyone! - In Kids Club, we have recently been making a variety of Halloween arts and crafts to complete our Halloween themed board.

This week, we have started to make 'leaf fairies' whilst we start to plan our Christmas activities! One of our plans is to make a giant igloo using empty milk bottles as 'ice blocks'. If anyone has any empty milk bottles which they would like to donate to kids club over the next few weeks we would be very grateful if you could deliver them to Kids Club staff please, thank you! (plastic bottles, washed and with lids).

If you haven't done so already, please set up a collection password on your Kids Club account.

✿ Budbrooke School PTA Updates ✿

Get ready for a whirlwind of excitement, as the Budbrooke School PTA brings you thrilling updates that will light up your school year!

1. A Disco to Remember!

Wow! What an unforgettable night of glitter, grooves, and giggles at the School Disco! 🎉 To our amazing parents and teachers, we extend our heartfelt gratitude for making it a night to remember. With your unwavering support and enthusiasm, we raised a staggering £1,000! 😊 These funds will soon transform into tangible improvements, as we plan to replace the pergola roof and give a dazzling upgrade to the outdoor stage on the Year 1 and 2 playground. You're making dreams come true for our school, and we couldn't be more thankful! ✨

2. Get Crafty at the Wreath Making Workshop!

The holiday spirit is in the air, and we've got an enchanting event coming your way! ✨ Join us on November 25th at the Community Centre for the Wreath Making Workshop. Book your spot early, before November 12th, and enjoy a fabulous early bird price of just £42 (£48 thereafter)! 🎁

Wreath making is your ticket to unleashing your inner artist and getting your home holiday-ready. Dive into the festive fun by checking out the poster in this newsletter for more details and secure your spot. Let's make this holiday season magical together! 🎄

3. Christmas Art Gifts - More to Come!

For those of you who have already ordered the charming Christmas Art Gifts featuring your children's artwork, we hope you're delighting in these wonderful keepsakes. Your support has been phenomenal in bringing this project to life! 😊

If you missed out or simply can't get enough, we've got fantastic news: the online shop will reopen from November 17th to the 24th. If you've misplaced your access code, worry not! Reach out to us at budbrookepta.b@welearn365.com with your child's name and their class, and we'll swiftly get you back on track. More treasures await! 📦

4. Fun Toast Fridays - A Weekly Delight!

Every Friday, an irresistible aroma wafts from the Open Door Cafe just around the corner from the school. It's Fun Toast Friday, and you're invited! ☕ From 8:00 am to 10:30 am, join us for sizzling conversations over a steaming cup of tea or coffee and crispy, buttery toast. It's a delightful opportunity to connect with fellow parents and nurture our fantastic school community. See you there! 🍞

Thank you for your unwavering support and get ready to be part of more upcoming events that promise endless fun and camaraderie. Your involvement is the heartbeat of the Budbrooke School community, and we cherish every one of you. 🤝

Should you have any questions or need more information, don't hesitate to reach out. Together, we'll make this school year an unforgettable adventure for our children. Let the excitement continue! 🌟
