Dear Parents,

Over the past two weeks each class here at Budbrooke have been having student elections. I have decided to increase student leadership opportunities to give our children a 'voice' on issues that obviously affect them during their time here at Budbrooke.

Elections have taken place for House Captain, Well-Being Ambassadors, Librarians, School Council, Eco Committee and Digital Leaders. Each of these groups will be supported by a member of the teaching staff and have been tasked with writing their own job descriptions and devising an action plan for the Autumn term on how they are going to support the school with its development. I wait with anticipation to seeing their ideas!

I am very proud of the children who confidently put themselves forward to be part of our student leadership. I am sure they are going to be true ambassadors for the school and role models for their peers while developing their own personal skills in teamwork, communication, and organisation. I am looking forward to seeing the impact they are going to have on our school community.

Acting Headteacher
