

Budbrooke Primary School
The Sports Premium
Summer 2018

This report outlines how our school has planned to spend the Sports Premium allocation in 2017/18. It also outlines our key principles and reasons for spending the Sports Premium in the way that we do.

Our Principles and Objectives

The Sports Premium was introduced to fund improvements to the provision of PE and sport, for the benefit of primary-aged pupils so that they develop healthy lifestyles. It is allocated to schools to work with all pupils.

School are free to spend the Sports Premium as they see fit, however our approach and vision for our pupils is to ensure that all are offered '**rich opportunities and memorable experiences**' and that those from poorer socio-economic backgrounds do not suffer barriers which hamper their progress and attainment.

Our decisions on how best to use the 'Sports Premium' are based on the findings of high quality research and publications, as well as OFSTED's own 'best practice' guides. These have supported our decision on expenditure over the best and most effective use of our Sport Premium Funding.

We believe that:

- All of our children should and will benefit from the teaching and learning opportunities that Sport Premium funding provides.
- Appropriate provision is made for all pupils belonging to vulnerable groups, including those who are from socially and economically disadvantaged groups.
- Sport premium spending should be allocated following a needs analysis which identifies children with priority needs.
- Our Sport Premium funding should be spent in a wide and imaginative variety of ways, so as to benefit the wide variety of interests and needs of our children
- Our Sports Premium funding should be spent according to 'best value principles' and related to activities which research suggests will make the very best use of the finances available
- Whilst there are some 'quick wins', there is a need to also take a 'long term view' to stop achievement gaps from widening. Some of our long term objectives will take more than an academic year to come to fruition.

Our Pupil Premium Funding

Total number of pupils on role: 252
 Total amount of Pupil Premium Grant: £18,000

Our Targeted Areas

In order to improve the progress and outcomes for Sports Premium pupils we aim to:

- The engagement of all pupils in regular physical activity (Chief Medical Officer recommends children engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school)
 - **The profile of PE and sport is raised across the school as a tool for whole school improvement**
 - Increased confidence, knowledge and skills of all staff in teaching PE and sport
 - **Broader experience of a range of sports and activities offered to all pupils**
 - Increased participation in competitive sport

Current Impact Statement - Summer 2018

The Sports Premium money has supported the school's aims to achieve the Sainsbury's School Games mark for commitment to school sport and competitive games. Budbrooke has now been awarded the prestigious **Gold Award** in 2017/18.

This achievement is in recognition of all the opportunities all the children have to play and learn new sports within PE lessons and extra-curricular activities, as well as the opportunity to compete in many of the Sainsbury's School Games competitions. The award also recognises how the children display the School Games values of **Honesty, Self Belief, Determination, Teamwork, Passion** and **Respect**. The children have the chance to organise, 'lead' and promote their own competitions within school allowing different year groups and abilities to join in and enjoy their sport.

Successes this year have included:

- Having a variety of sport as part of an exciting sports curriculum on offer for all children. The new resources and improved equipment allowed the children to take part in new sports.
- Having 6 School Sports Ambassadors to run an inspirational club for the less active children and for helping to organise a variety of school competitions at schools in the local area.
- Having Year 5 Play Leaders to run fun and engaging lunchtime activities for all age groups. Coaches from the Central Warwickshire School Sports Partnership praised the children for their enthusiastic and inspiring approach to encouraging the children to be active.
- Providing opportunities for children of all abilities to represent the school in a variety of exciting inter-school competitions in the local area.
- Entering teams into a variety of School Games competitions including rowing, sports hall athletics, football, cross country, netball, dodgeball, cricket, rounders, hockey and tennis.
- Winning the Year 6 Kwik Cricket competition at Leamington Cricket Club and making it through to the County Finals day at the Edgbaston Foundation Ground.
- Third place finishes in the hockey, sports hall athletics and rounders School Games competitions.
- Budbrooke made it as far as the Semi-finalis in the Area Round of the Danone Schools Football Cup.
- There have been whole school active sessions held at Budbrooke to inspire all children to be active. The premium was used to hire Leamington Athletics Academy to lead active sessions to inspire the children to develop their running skills.
- Marathon Kids Launch day. The introduction of Marathon Kids inspired the children to run a marathon and achieve their personal bests. This has led to 92% of the school running each week.
- Specialising in Sport coaches delivered Personal Best sessions for KS2. 100% of the children improved their personal best in a variety of field events.
- Having an impressive 9 children win their events at the Aylesford Athletics competition and go on to represent Warwick in the District Athletics competition at Edmondscote Athletics Stadium.
- Olympic and Commonwealth athlete Eden Francis came to school to run a whole school sponsored fitness circuit and to deliver an inspirational assembly which included showing off her discuss, shot put and gold medal.
