

BUDBROOKE PRIMARY SCHOOL

The Pupil Premium

This report outlines how our school has spent the Pupil Premium allocation in Budbrooke and how it plans to spend it in the forthcoming academic year. It also outlines the progress that children in receipt of the pupil premium last year made across areas of reading writing and mathematics. It also outlines our key principles and reasons for spending the Pupil Premium in the way that we do.

Our Principles and Objectives

The Pupil Premium was introduced to address the underlying inequalities between children eligible for free school meals and their peers. It is allocated to schools to work with pupils who have been registered for free school meals at any point in the last six years.

School are free to spend the Pupil Premium as they see fit, however, our approach and vision for our pupils is to ensure that all are offered '**rich opportunities and memorable experiences**' and that those from poorer socio-economic backgrounds do not suffer barriers which hamper their progress and attainment.

Our decisions on how best to use the 'Pupil Premium' are based on the findings of high quality research and publications, as well as OFSTED's own 'best practice' guides. These have supported our decision on expenditure over the best and most effective use of our Pupil Premium Funding. We are also aware that the unique features of our local economy, results in significant numbers of our parents not being eligible to claim for free school meals.

We believe that:

- All of our children should and will benefit from the teaching and learning opportunities that Pupil Premium funding provides
- Appropriate provision is made for all pupils belonging to vulnerable groups, including those who are from socially and economically disadvantaged groups
- Pupil premium spending should be allocated following a needs analysis which identifies children with priority needs; those with the greatest need being children in receipt of free school meals whose progress is not rapid enough
- Pupils who receive free school meals are not necessarily socially disadvantaged or are making inadequate progress
- Not all pupils who are socially disadvantaged are registered or qualify for free school meals
- Our Pupil Premium funding should be spent in a wide and imaginative variety of ways, so as to benefit the wide variety of interests and needs of our children
- Our Pupil Premium funding should be spent according to 'best value principles' and related to activities which research suggests will make the very best use of the finances available
- Whilst there are some 'quick wins', there is a need to also take a 'long term view' to stop achievement gaps from widening. Some of our long term objectives will take more than an academic year to come to fruition.

Our Pupil Premium Funding 2017-18

Total number of pupils on role: 252
Total number of pupils currently eligible for Pupil Premium Grant: 5
Total amount of Pupil Premium Grant per pupil: £1320
Total amount of Pupil Premium Grant: £6600

Our Targeted Areas

In order to improve the progress and outcomes for Pupil Premium pupils we aim to:

- Accelerate their progress and attainment in Maths and English
- Develop resourcing to support their improved access to the learning opportunities
- Enrich the lives of those on Pupil Premium, opening doors and creating new opportunities
- Develop support for Pupil Premium pupils and their parents beyond the school gate

Main Barriers to Educational Achievement

Generally, at Budbrooke, the main barriers disadvantaged children face are:

- Low income
- Unsettled family arrangements
- Emotional instability of family member(s)
- Parents may not have had a successful or enjoyable education
- Children / siblings may have had disrupted educational experiences
- Safeguarding concerns
- Lower than average attendance and lateness

Nature of Support – Last Year 2016-17

Record of Pupil Premium Grant Spending by item/project

(PPP – Pupil Premium Pupils)

Item/Project/Action	Objectives	Cost	Outcomes
Purchase 'exciting and colourful' revision guides to support revision at home - Purchase revision guides for all Year 6 PPP	Develop support for PPP and their parents beyond the school gate Accelerate progress and attainment in Maths /English	£25	<ul style="list-style-type: none"> - Increase understanding of how to support children at home - Improve home/school relationships further leading to raised progress and attainment - Raise attainment in Maths and English
Develop increased levels of successful interventions - One to One / Small Group Tuition (TA and teacher costs) - Precision Teaching - Nesy Learning / Fingers - Rapid Writing / Maths - Scholastic Reading - Time to feedback to parents	Accelerate PPP progress and attainment in Maths and English	£2000	<ul style="list-style-type: none"> - Raised progress and attainment and reduced barriers for PPP - Increase understanding of schools PPP objectives amongst parents
Pupil Activities/equipment - Trips - After School Clubs (e.g. football, multisports) - Visits in school - Music	PPP are able to access all enrichment activities that take place outside of school hours alongside special occasions within the school day	£635	<ul style="list-style-type: none"> - Participation in activities that would otherwise be unavailable - Extra-curricular involvement including sports and music
Resourcing - Intervention materials - Computer software	Interventions are fun and specific for PPP, progress accelerated in a fun way	£500	<ul style="list-style-type: none"> - Rapid progress through fun and specific intervention
Specialist services - Educational Psychologist - Early Intervention Services - Intervention and Disability Services	Children are supported emotionally and for any SEN. Intervention is timely and coordinated amongst multi-agencies	£600	<ul style="list-style-type: none"> - SEN needs, including mental health, are met in a timely way - Multi-agency approach to ensure accelerated progress
Newsletter development supporting and encouraging claiming of FSMeals - Develop regular cycle for newsletter - Promote 'free places' etc.	Enrich the lives of those on Pupil Premium, opening doors and creating new opportunities	£200	<ul style="list-style-type: none"> - Newsletter items included on a three week cycle. - Evidence that parents previously not claiming have claimed.

NB: Whilst many of our highly focussed short term initiatives have shown good success, a number of our initiatives are designed to be 'cumulative in their impact' i.e. we will show significant success over time and across many aspects of the child's life. It is important to also note that total spending benefiting pupil premium pupils is higher than our allocated pupil premium grant because the school budget also supports areas benefiting all pupils

Nature of Planned Support – This Year 2017-18

Record of planned Pupil Premium Grant Spending by item/project

(PPP – Pupil Premium Pupils)

Item/Project/Action	Objectives	Cost	Expected Outcomes
Purchase 'exciting and colourful' revision guides to support revision at home - Purchase revision guides for all Year 6 PPP	Develop support for PPP and their parents beyond the school gate Accelerate progress and attainment in Maths /English	£25	NB: It is expected that ALL projects will have an impact on raising level of attainment and progress. - Increase understanding of how to support children at home - Improve home/school relationships further leading to raised progress and attainment - Raise attainment in Maths and English
Develop increased levels of successful interventions - One to One / Small Group Tuition (TA and teacher costs) - Precision Teaching - Nesy Learning / Fingers - Rapid Writing / Maths - Scholastic Reading - Time to feedback to parents	Accelerate PPP progress and attainment in Maths and English	£2740	- Raised progress and attainment and reduced barriers for PPP - Increase understanding of schools PPP objectives amongst parents
Pupil Activities/equipment - Trips - After School Clubs (e.g. football, multisports) - Visits in school - Music	PPP are able to access all enrichment activities that take place outside of school hours alongside special occasions within the school day	£635	- Participation in activities that would otherwise be unavailable - Extra-curricular involvement including sports and music
Resourcing - Intervention materials - Computer software	Interventions are fun and specific for PPP, progress accelerated in a fun way	£1000	- Rapid progress through fun and specific intervention
Specialist services - Educational Psychologist - Early Intervention Services - Intervention and Disability Services	Children are supported emotionally and for any SEN. Intervention is timely and coordinated amongst multi-agencies	£2000	- SEN needs, including mental health, are met in a timely way - Multi-agency approach to ensure accelerated progress
Newsletter development supporting and encouraging claiming of FSMeals - Develop regular cycle for newsletter - Promote 'free places' etc.	Enrich the lives of those on Pupil Premium, opening doors and creating new opportunities	£200	- Newsletter items included on a three week cycle. - Evidence that parents previously not claiming have claimed.
NB: Whilst many of our highly focussed short term initiatives have shown good success, a number of our initiatives are designed to be 'cumulative in their impact' i.e. we will show significant success over time and across many aspects of the child's life.			

Impact Statement – Educational Progress and Attainment

The effect of this expenditure on the educational attainment of those pupils at the school in respect of whom grant funding was allocated.

How impact is measured:

- All children's attainment and progress from individual starting points is tracked and monitored against national and school expectations (in addition to progress being measured in lessons)
- All disadvantaged children eligible for the pupil premium grant are monitored closely and individual barriers to learning are recorded and addressed (this may include barriers to learning that are not academic in nature)
- Attendance and punctuality is continually checked
- Engagement of parents in school events (parents evening, homework club etc.)

Results at the end of 2015-16 the attainment and progress of Pupil Premium Pupils show improvement:

- *(NB: there are very few PPP and all are in different year groups. This means that each child's results makes a huge difference to our analysis)*
- *Internal data shows that in writing, two thirds of PPP made better than expected progress with one third making expected progress*
- *Internal data shows that in maths, two thirds of PPP made better than expected progress with one third making below expected progress*
- *Internal data shows that in reading, two thirds of PPP made expected progress with one third making below expected progress*
- *There was one PPP who took KS2 SATs: they made good progress in writing, but less than expected progress in reading and maths*
- *No PPP took KS1 SATs*

Next Review of this strategy:

- September 2018
