

# SCHOOL COUNCIL HALF - TERM

## REPORT

Last half term, after a lot of consideration and democracy from the pupils of Budbrooke School, we decided to support Children's Air Ambulance as our school charity. It had competition from Cancer Research, Saint John's Ambulance Service and many more.

This half-term has been very eventful for School Council. We have been launching 501 words, a story competition for young writers. This competition will help raise money to benefit our school charity, Children's Air Ambulance, by children donating £1 with their story.

To reward these literary efforts, the pupils will be rewarded with 2\* stars and if they're lucky they will receive a stationery-based prize.

Thank you for listening,

Emily and Elliott and the School Council
